**Ben's guide to U.S. government for kids**  
United States.  
"With the goal of providing 'learning tools for K-12 students, parents, and teachers,' Ben's Guide describes how the U.S. government works and shows students how to use GPO Access to locate primary source materials for school assignments. It is divided into four grade levels (K-2, 3-5, 6-8 and 9-12), each of which features some of the following topics: Our Nation, Historical Documents, Branches of Government, How Laws are Made, National Versus State Government, Election Process, Citizenship, a glossary and U.S. Government Web Sites for Kids. It also includes a section for parents and teachers which contains curriculum links.
