## **Thespian Point Record**

List any and all theatre activities you participated in at Archer High School (or professional/community theatres) since you last turned in points. Remember to include: acting roles, technical positions, attending Thespian Conference, One Act, Literary Competition, or ushering for a show. You may ask

Mr. Work if other theatre-related activities are eligible. You must earn 10 Thespian Points AND have either acted in or done tech for a show at Archer to be inducted as a Thespian. Your points are cumulative through your time at Archer so you do not need to list anything again that you have already turned in.
