

DULUTH HIGH SCHOOL CREDIT RECOVERY

🐾 SUMMER 2024 🐾

Dear student and family,

Duluth High School will be offering Credit Recovery classes this summer. All courses *except math courses*, will be offered through Georgia Virtual Credit Recovery (GAVS). You may qualify for free Credit Recovery Online Summer School through Duluth High School and gacreditrecovery.org (Georgia Virtual School) if your final grade in the class was **between a 50 – 69** and you have not taken the Credit Recovery course before through Georgia Virtual.

Information about Credit Recovery:

- o Courses run June 10 - July 3, 2024. No school June 19.
- o To qualify: final grade in a course between 50 - 69.
- o Students may sign up for a *maximum of two credit recovery courses*.
- o **Mandatory in-person dates are as follows:**
 - o June 24 – June 28: EOC Testing
 - Students taking the following Semester 2 courses **must attend in person** to take the End of Course (EOC) Test. (Specific test dates to be determined at a later date):
 - 11th LA (American Lit) Semester 2
 - Algebra 1 Semester 2
 - US History Semester 2
 - Biology Semester 2
 - o **June 25-27: Any student who has not completed the course(s) will be required to attend these days.**
***Seniors hoping to graduate this summer must complete coursework by June 28, 2024.**
- o Credit Recovery courses are offered online with online teacher technical support.
- o Students are encouraged to come in person in order to take advantage of the school environment on Tuesdays and Wednesdays (June 10- July 3) from 8 a.m. to 12 p.m.
- o Students take a pretest at the beginning of each unit. If that score is 85% or higher, the student is allowed to proceed directly to that unit's posttest. If the pretest score is less than 85%, the student must view every content item in the unit. The posttest will be available to the student when all items have been completed.
- o To move out of one unit into the next, the student must score a 70% or higher on the unit posttest.
- o Once a student has completed their course, they must contact their CR online teacher to confirm coursework completion and to open the final exam or confirm EOC date. EOC course students must take their EOC **in person** on the scheduled testing date.
- o Only unit posttests/final exams/EOC assessments are recorded in the final grade. **Students must complete the entire course and the final exam or EOC to receive credit for the course.**
- o If you are also taking summer school classes at Duluth this summer, we will work on an individual plan to meet with and monitor each student.
- o *NCAA does NOT accept Georgia Virtual School Credit Recovery credits.*

Registration closes May 23, 2024 at 2:00 pm and is subject to counselor approval.
