

meet the

school counselor

Walnut Grove Elementary

a little about me

I have a Master of Science Degree in School Counseling from Mercer University. I am married to an Electrical Engineer and have two wonderful children. I have worked in GCPS at the elementary level for 15 years, the last 6 years as a Professional School Counselor. I am beyond excited to join the WGES family!

Mrs. Marsha Duval

my role

My goal is to support Walnut Grove's comprehensive counseling program. We believe ALL students can become lifelong learners while developing skills that promote academic excellence, college and career development and foster responsible citizenship. Through advocacy, the counselor ensures equity, access, and success for every student. Counselors work in partnership with parents, teachers, administrators, and members of the community to remove barriers and facilitate student success in a safe and supportive school environment.

Thank you,
Marsha Duval (Grades 1,3,5)
