eCLASS C&I Tool
## *Introduction to Course Pages for Students*

What are eCLASS C&I Course Pages?

eCLASS C&I course pages are online classrooms where teachers provide instruction and materials to help students learn. There are also opportunities to complete discussion boards, assignments, and quizzes. Learn more about parts of a teacher's page that you may see. Please note this is an example of a page, your teacher's page may look different.

The navbar (with or without icon pictures). Click **Content** to view course table of contents.

Notifications from your course pages.
