

## Accessing GOC Content in eClass

1. The district has auto-enrolled subject teachers in the DLD Resource pages to access GOC content.
2. Log into eClass through the GCPS portal.
3. Go to the eClass page you want to import GOC Content into.

4. In the top right corner of your eClass page click on the Admin Tools icon and select Import/Export/Copy Components.

5. On the next page, click on Select Course Offering.

## Import/Export/Copy Components

What would you like to do?

- Copy Components from another Org Unit
