

How to use Biblionasium

Log into the student portal and then click Media Catalog.

Click login to sync the student portal and the media catalog. In the temporary view click More→Biblionasium. After mid September click the 🚍 and then Biblionasium.

Click My Books and search for books.

Type in the title of the book you are reading, add the book to your shelf, and then click I am reading it.

After you finish the book, click Reading $Log \rightarrow Add$ to my reading log

Select a book from your shelf \rightarrow I finished the book \rightarrow Select a challenge \rightarrow Save
