Dear Students and Parents,

During the school day, a few students reported receiving a CNN text stating, "... schools will be closed on 11-19-19, due to a bomb threat". As this is not true and our school will be open on 11-19, we began working with our School Resource Officers to investigate. We were able to determine that the text allegedly originated from a high school student who is now facing possible disciplinary and criminal action. I wanted to make you aware of this text as it does include a link that takes the user to an objectionable website.

If you have any questions or concerns about this incident, please contact me at 770-921-1776 or [Yvette.Arthur@gwinnett.k12.ga.us](mailto:Yvette.Arthur@gwinnett.k12.ga.us).

Sincerely,

Yvette Arthur  
Lilburn Middle School Principal
