## *General Information*

### **STUDENT PICK-UP AND DROP-OFF**

Pick-up and drop-off for students is restricted to the lower parking lot to the right as you enter off of Bethany Church Road. The front drive of the school is for bus use only and should not be used to drop-off students or pick them up at any time. Students must leave campus by 2:30 each day unless they are under the supervision of a teacher/coach/administrator. Students found on campus unattended will be taken to a classroom until a parent can pick them up. Repeated incidents will result in disciplinary action.

### **THE GWINNETT COUNTY SCHOOL NUTRITION PROGRAM POLICY FOR HIGH SCHOOL STUDENTS**

Students are no longer allowed to charge for their lunch unless approved by the Cafeteria Manager or Assistant Manager before purchase. Please keep track of your account by going to [www.mypaymentsplus.com](http://www.mypaymentsplus.com) to view your account as well as place money on the account at any time using credit, debit card or your checking account. If you would like to apply for free or reduced lunch, please visit [www.schoollunchapp.com](http://www.schoollunchapp.com)

Lunch \$2.50 Reduced .40  
Lunch for the month (average) \$50.00 per month Reduced for the month (average) \$7.00 per month  
Lunch for the year \$435.00  
Reduced for the year \$69.60

### **STUDENT VERIFICATION FORMS (Clinic Cards)**

For the safety and well-being of students, it is imperative that a verification form be completed for every student. It must include current address and phone number, medical conditions, emergency numbers, and a valid parent signature. If changes occur during the year, parents should notify the counseling office in writing. This form must be on file before students are allowed to check out. A parent will have to come to school to check the student out. No one would be allowed to check a student out unless they are listed on the verification form and must present valid photo identification.

### **CLINIC INFORMATION**

The school provides limited emergency first-aid to students who become ill or suffer injuries at school. The parent/guardian will be called, and the student will be sent home if he/she is too sick to remain at school. No student is to remain at school, if he/she shows evidence of an acute illness, a temperature of > 100 F, or vomiting or diarrhea.

The school must be provided with current home, business, and emergency telephone numbers so that parents/guardian may be contacted if necessary. If numbers should change during the school year, please contact the school office.

Aspirin, Tylenol, and other non-prescription medication can only be given to students if the medications given to the school clinic are in the original labeled container along with the appropriate form filled out and signed. Prescription medications along with the permission forms need to be brought to the clinic. Students should not have any prescription or non-prescription drugs on their person. If a student is found in violation of this rule, it may result in disciplinary action. **If a student needs to keep a medication with them i.e.: inhalers or epipens, we need a letter from a physician stating the necessity of this action.**

If it is necessary for a student to have an over the counter medication continuously for an extended period (more than two weeks), it will be necessary for the parent/guardian to have a physician complete a request for medication form giving the school permission to administer the medication. In the event that a medication is changed or a dosage is altered, a new form must be completed and an appropriately labeled container provided. All medication not claimed by a parent/guardian at the end of the school year will be discarded. **Students cannot transport medication home.**

After receiving written permission, a staff member may assist the student in taking medications. However, in no event will any representative of the school assure a parent/guardian that anything more than a reasonable effort will be made to assist the student. Neither the school, nor its staff can guarantee that any student will take a particular medication correctly. If there is a medical situation that could be potentially dangerous, please notify the principal's office immediately.

### **DELIVERIES**

In order to protect the learning environment, we will not accept delivery of gift items (flowers, candy, balloons, fast food, etc.) for students.

### **EMERGENCY MESSAGES FOR STUDENTS**

Messages will be delivered only in emergencies. Before a class is disturbed, the main office will first verify that the message is from a parent or guardian.

### **GENERAL STORE**

The Shiloh General Store is a school based enterprise designed to give the student a real life experience of managing and operating a retail store. Students are involved in all aspects of the business: purchasing, pricing, product display and promotion. Students may visit the school store during their lunch period.

### **LOCKER RENTAL**

Lockers will be issued during the first week of school. The locker rental fee is \$3.00, as set by Gwinnett County Public Schools. Lockers are the property of the school and may be searched by school officials at any time. Giving others the locker combination and being careless may result in loss of personal property. Shiloh High School is not responsible for lost or stolen articles.

### **LOCKER RENTAL POLICY**

Lockers should be kept clean and orderly. Do not share your locker combination with other students. Lockers are to be kept locked at all times when the door is closed. Any locker problems/damages with your locker must be reported to the attendance office or an administrator immediately.

# Curriculum and Instruction

## VALIDATION OF WORK FROM NON-ACCREDITED SCHOOLS

In accordance with the Southern Association of Schools, please be aware that Gwinnett County Public Schools will validate competency, by course, before awarding Gwinnett County Public School credit for work completed at a home school or private school that is not accredited by the Southern Association of Colleges and Schools or its equivalent.

Students entering a Gwinnett County Public High School from a **non-accredited** private school will be required to validate competency through testing or through scholarship performance in specified trailer courses. Students entering from a home school will be required to earn credit through testing.

If you attend, or plan to attend, a non-SACS accredited school or a home school and subsequently request credit for the experience from a Gwinnett County public school, please check with local school personnel for details involving awarding of Gwinnett County Public Schools credit.

## GIFTED EDUCATION PROGRAMS

Gifted Education in the Gwinnett County Public Schools is a part of the system's Center for Educational Programs. The procedures for identifying and placing students in the gifted program, which is funded by the state, are governed by the rules and regulations approved by the State Department of Education. Referrals to the gifted program may come from teachers, parents, peers, or as the result of system wide testing scores. A school's gifted eligibility team reviews referrals throughout each school year to determine which students will be evaluated. A child may be referred once during grades K-2, once in grades 3-5, once in middle school and once during high school. The evaluation includes the student's mental aptitude, achievement, creativity and motivation. Private evaluations and testing may not be substituted for test data generated by the local school.

## ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

The goal of the ESOL program is to provide an opportunity for students whose dominant language is not English to acquire oral and written communication skills in English that will enable them to function in school and in the community. This includes developing competency both in the English needed for social interaction and the academic English needed for successful participation in the formal curriculum. The school system identifies those students whose dominant language is not English.

## GRADING SCALE

## ACADEMIC INTEGRITY

Believing that the individual worth of the student is important in developing his or her talents and abilities, the faculty of Shiloh High School commits itself to helping students achieve academic excellence.

Furthermore, the faculty maintains that students who cheat deny themselves the opportunity to develop and enhance these talents and abilities. Consequently, students who cheat will receive a zero on the assignment or may be subject to disciplinary referral.

## SCHEDULING

Students select classes once a year during Spring Registration. Teachers and counselors make every effort to explain graduation requirements and various courses of study. Parents are encouraged to take an active part in planning the student's educational goals. Student schedules are based on spring registration and will remain as assigned.

**All changes must be requested within the first three days of each term through the student's assigned counselor.**

## TEXTBOOKS

All textbooks are furnished by the Gwinnett County Board of Education. Each book issued has a number and it is the student's responsibility to take care of books. Students are required to pay for lost or damaged books. Damaged textbooks are subject to being charged the full replacement value of the damaged textbook. Subsequent books will not be issued until this obligation has been met. **Students must return all textbooks or pay for them before taking final exams.**

## CONTRIBUTIONS

Parents and guardians are given the opportunity to make financial contributions at the beginning of the school year to help support the academic program

at Shiloh High School. These funds are over and above those provided by the Q.B.E. act of 1985 and enable teachers to enhance student learning. No student will be denied access to or participation in a course funded by the Gwinnett County Board of Education.

### EXAMS / EXEMPTIONS

**For Graduating Seniors Only: Students are not allowed to exempt the state End Of Course Test (EOC) or District Assessments (DA).** In order to exempt a final exam, graduating seniors must meet the following criteria:

**Academics:** Honor Graduates must have a cumulative “A” average, 90 or greater at the end of the 1<sup>st</sup> semester of their senior year, to be eligible to exempt all finals if they meet the other criteria. If an Honor Graduate has a 79 or below in a certain class, the student will be required to take the exam. Seniors who have an “A” average, 90 or higher in a specific course, may be eligible to exempt in that course if they meet the other criteria. **Seniors attempting to exempt must maintain a 90 average from date forms are due through finals.** If a senior fails to maintain a 90 he/she will be required to take the final. Exemption status will be determined by grades, attendance, discipline, textbook check and any outstanding fees student owes at the designated date for submission of the exemption form. If your exemption status changes (absences, discipline, grades, and fines), you will not be allowed to Exempt.

**Attendance:** Students will not be eligible to exempt an exam in a class if they have more than **FIVE** absences in that class during the **SPRING** semester. All absences except school sponsored activities count against the total five. This includes pre-arranged absences and college visits.

**Behavior:** Students who have been suspended in or out of school during their final semester will **NOT** be eligible to exempt exams.

1. Students may exempt all exams for which they qualify.
2. School-sponsored activities do not count toward the five absences. All other absences will count. Students will be counted absent from class if they miss more than half a period.
3. Students who are eligible to exempt an exam must have their textbooks, media center, & cafeteria fines cleared prior to the exam date. Also, students must have no outstanding books.
4. Students who are eligible to exempt an exam may choose to take the exam without the risk of lowering the final average. The exam can improve the average, but cannot lower it.
5. Students in an AP courses can qualify to exempt if the overall average is a 90 with the 10 points added.
6. If a senior takes an EOCT, they are exempt from taking the performance final for the course.

**The exemption form can be picked up in the Academy Offices on the specified date and MUST be turned into any of those offices on the stated date and time.**

### END OF COURSE (EOC)

End of Course tests will be given during the final weeks of 2<sup>nd</sup> semester in 9<sup>th</sup> and 11<sup>th</sup> grade Language Arts, US History, Biology, Algebra I, Geometry, Algebra I, Geometry, and Economics. Students taking Economics in the fall semester will take the test in December. These tests will count as 20% of the final grade and cannot be exempted.

### FIELD TRIPS

Students and parents should be aware that there is no guarantee of refunds for deposits or prepaid trips. If a student is not passing all classes at the time of the trip, he or she may not be permitted to attend.

### ACADEMIC LETTERS

Academic letters are awarded each year to students who qualify by having a 94 or above cumulative average or a 94 or above term average for two consecutive terms since the prior award ceremony. Students who qualify are notified and honored at a fall banquet.

### GENERAL'S AWARD

The General's Award is given to recognize students who demonstrate strong work ethic, good character, good attendance, respect, willingness to help their peers and an enthusiasm for learning. Each month, teachers will select one male and one female student per grade level to receive this award.

### HONOR GRADUATES / VALEDICTORIAN / SALUTATORIAN

Seniors who earn a cumulative grade point average of 90.0 or above for their coursework in high school will be awarded the distinction of honor graduate at graduation ceremonies. A student needs two semesters of core courses at Shiloh High in order to be considered for honor graduate status or class rank. Those identified at the end of the Fall semester will receive a gold cord at Honors Night in the Spring. Those achieving this status at the end of Spring semester, will also be recognized at graduation with those previously named.

The student named Valedictorian will be the senior with the highest overall cumulative average at the end of the first term of the senior year and the Salutatorian, the second highest overall cumulative average. This rank is determined midyear **only**. In order to be eligible, both students must be enrolled at Shiloh High 1<sup>st</sup> and 2<sup>nd</sup> semester of junior and senior year. The Valedictorian and Salutatorian must not have been found in violation of cheating. Both students must have no disciplinary referrals, which resulted in In-School Suspension or Out-of School Suspension. In the case of an appeal, the decision of the appeals committee will be final.

### GRADUATION

The graduation ceremony is by invitation to those who have met all credit requirements, as indicated in the senior letter that is mailed in December. Detailed information regarding course requirements can be found in the Choice Book. Seniors and their parents are strongly encouraged to attend the Senior Meeting in September for a thorough review of requirements and the college application process. Seniors who have met all requirements except for passing the Gateway Exams, may walk. However, they may receive a certificate of attendance rather than a diploma. When testing requirements are met, a diploma will be granted. Students must also have returned all textbooks, library books, school issued items and cleared all fines and fundraiser commitments.

Appropriate behavior before and during ceremonies is expected. Dates for graduation may be changed due to inclement weather (snow days) during the school year. Exact dates and times will be confirmed in Spring.

### **TESTS REQUIRED FOR GRADUATION**

Students are required to pass both parts of the Gwinnett County Gateway Exam to receive a Gwinnett County diploma.

## *Guidance and Counseling*

**HOURS 7AM- 3PM PHONE: 770-736-4344; FAX: 770-736-2084**

The Counseling Department provides numerous services for students and parents. Counselors conduct student and parent conferences, group and individual counseling regarding personal and academic issues, assist with career decision making, college selection and application, and provide scholarship and financial aid information for post-secondary education and training.

### **APPOINTMENTS**

Parents are strongly encouraged to schedule an appointment if they wish to conference with their student's counselor. Appointments are necessary to ensure the counselor's availability to meet with you.

Students can make appointments to meet with their counselor by coming using the QR code, going to the website or by seeing the counselor at the Counseling Corner during their lunch period.

### **FORM REQUESTS**

Immunizations, ADAP, work permits and transcripts are available in all Offices. A 48 hour notice is required for all requests. Please see the counseling office clerk to obtain these documents. Please note that fees may apply.

### **HOMEWORK REQUEST POLICY**

Homework assignments can be requested when students are planning to be absent for **three (3) or more days** through the Academy Office. Assignments can then be picked up from the Academy Office from 2:30 to 3:00 the following day. The parent must make the request. When only **one or two** days are missed, make-up work is arranged by the student upon his/her return with the classroom teacher. Failure to arrange to do make-up work within five (5) school days will result in "0" for the work missed.

### **HOSPITAL/HOMEBOUND**

A student who has a medically diagnosed physical condition restricting him/her to home or hospital confinement for a minimum of ten (10) consecutive school days may be eligible for Homebound instruction. Parents need to contact the Guidance Department for information.

### **CONFLICT RESOLUTION TEAM**

A group of students under the leadership of a designated counselor works with peers in resolving conflicts. The team will help the disputants clarify the problem and seek ways to resolve their concerns.

### **HOMELESS CHILDREN AND YOUTH**

The Stewart B. McKinney/Vento Education for Homeless Children and Youth Act ensures the educational rights and protections for children and youth experiencing homelessness. It provides legal protections for children and youth in homeless situations to enroll in, attend, and succeed in school and preschool programs. In accordance with the law, Gwinnett County Public Schools affords homeless children and youth equal access to the same free, appropriate public education, including a public preschool education such as Head Start, Even Start, State Pre-K, and Title I Preschool Programs as provided to other students. # *Attendance Policy and Procedures*

School attendance is important because it underscores the significance of learning and the importance of obtaining an education in our society. In addition, it helps students develop good work habits, which will carry over in life. Good attendance also correlates strongly with improved grades. A minimum level of attendance is required for attainment of the Academic Knowledge and Skills (AKS) curriculum. The responsibility of school attendance is that of both parents and students.

The Superintendent has designated the minimum levels of attendance in procedure consistent with state standards. To this end, Shiloh High School will encourage and promote consistent daily attendance.

## **ABSENCE POLICY**

School officials must require the parent or guardian to provide proof of residency in the district and attendance zone at the time a student is initially enrolled in school.

Students are allowed seven excused absences with parent notes per semester; after that, formal documentation is required. Examples of formal documentation include: Doctor/hospital, court/government mandated, funeral brochures/programs. Students **MUST** bring this documentation within 48 hours upon their return to school in order to receive make-up work. Field trips, In School Suspension (ISS), and/or school sponsored events are not considered absences. Out of School Suspension (OSS) is counted as an excused absence but is not included in the seven day rule.

**Compulsory Attendance - Official Code of Georgia (20-2-690.2): Every parent, guardian, or other person residing within this state having control or charge of any child or children between their sixth and sixteenth birthdays shall enroll and send such child or children to a public school, a private school, or a home study program that meets the requirements for a public school, a private school, or home study program; and such child shall be responsible for enrolling in and attending a public school, a private school, or a home study program that meets the requirements for a public school, a private school, or a home study program.**

## **CERTIFICATE OF ATTENDANCE AND ALCOHOL DRUG AWARENESS PROGRAM (ADAP) VERIFICATION**

Students may request their certificate of attendance and ADAP verification before school, after school and during their assigned lunchtime. There is a two (2) day turn around for this information. The cost for the certificate of attendance is \$3.00. There is no charge for the ADAP verification.

## **MAKE-UP WORK**

It is the student’s responsibility to make arrangements within 5 school days to make-up work missed due to an approved absence or excused absence. Students are responsible for getting all make-up work completed within the time frame set between the student and the teacher. Failure to do so will result in a grade of “0” for work missed. Work missed for unexcused absences **CANNOT** be made up. Remember, after the seventh excused parent note **ONLY** formal documentation will be accepted.

## **ABSENCES FROM SCHOOL POLICY:**

State law requires attendance at school from ages 7-16 (until 16th birthday). It also authorizes strict penalties for non-attendance. Students will be excused from school under the following circumstances, as a minimum:

1. Personal illness or attendance in school endangering a student’s health or the health of others.
2. A serious illness or death in a student’s family necessitating absences from school.
3. A court order or an order by a governmental agency, including pre induction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holiday, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. A student, whose parent or legal guardian is in military service and has been called to active duty or is on leave from overseas, shall be granted excused absences, up to a maximum of five schools days per year.
7. A period not to exceed one day is allowed, at the **discretion of the local administration**, for registering to vote or voting in a public election.
8. Local Boards of Education shall count students present when they are serving as pages for the Georgia General Assembly.

**Students who are enrolled for the current school year who do not attend school for ten (10) consecutive days and the school is not notified of the absence by the parent/guardian are considered withdrawn.**

**A student who is not present for at least half the school day (three periods) will be counted as absent that day.**

## **PREARRANGED ABSENCES**

If parents find it necessary for students to miss school due to an unexcused out of town trip (limit 5 days per year), absences must be approved by the administration. If the absence is approved, it will be classified as unexcused, but students will be allowed to make up missed work. ***Please note that pre-arranged absences count under the more than ten (10) day unexcused absence limit and withholding of credit policy. Senior students are allowed three (3) days for college visitation (see College Visit Absences policy below).***

## **COLLEGE VISIT ABSENCES**

Attendance at school is a key factor in student achievement. When a student misses a class for any reason, it is difficult to make up the work missed. Unless the student is absent for one of the reasons recognized by the State of Georgia, the absence is unexcused and missed work cannot be made up. However, seniors are allowed to have three college visits each semester that will be counted as excused absences. If a student has more than three college visits in a semester, it will be counted as unexcused and a Prearranged Absence Request must be completed to request permission to make up missed work. The student must provide dated documentation (dated program, letter from registrar, bookstore receipt, etc.) of their college visit for it to be excused.

## **SHILOH ATTENDANCE PROCEDURES**

### **FOR ABSENCES:**

A student must bring a signed note from the parent or formal documentation **within 48 hours** upon return to school, or checking into school late. Notes are to be turned into the Main Entrance Kiosk before school, during a class change, during lunch, or after school.

  - b. Vacations, trips, family visits, church retreats (use pre-arranged absence request form for these)
  - c. Car trouble, babysitting, running errands

**Students must submit all excused notes to the Main Entrance Kiosk office within 48 hours of their absence.** Absence notes need to be given to the Main Entrance kiosk and the student is responsible for requesting makeup work from each individual teacher.

## **EXTRA-CURRICULAR ATTENDANCE POLICY**

A student must be counted present for the school day in order to participate in all extracurricular events after school for that evening. This includes practices, productions, athletic events and other school related activities. In order to participate in an event that is held on the weekend; a student must be counted present for the school day on Friday prior to the weekend. This includes dances, games, plays, etc. Students must be present all PERIODS the day before or the day of Prom in order to attend Prom. **Students assigned to ISS on the day of an extracurricular activity may not participate in that activity.** The State of Georgia does not allow students to miss more than ten days in any one class during the school year for school related activities. Students may make up any work they have missed because of participation in the activities.

## **EARLY DISMISSAL (CHECKING OUT)**

Any students that leave campus during the day must check out through the Main Entrance kiosk. Contact with the parent will be required before a student is released from school. A student who leaves without checking out will be considered AWOL. Excused reasons for checking out of school early are the same as those for full-day absences. **Only a parent or guardian may give permission for a student's release from school.** Parents or Guardians must come inside the building to check their student out and will be required **to show a picture ID and will need to be listed on the student's emergency contact information.** No student may be released prior to contact with a parent, either in person or by telephone. A doctor's note may be required for excessive check outs.

Students who drive to school are required to present a note at the beginning of the school day so that it may be verified by a parent/guardian listed in the emergency contact information prior to leaving campus.

#### **DELIVERIES TO STUDENTS IN CLASS**

**The school WILL NOT interrupt instructional time for any items dropped off for students.** Students may pick up these items in the Main Office before school, during their lunch and after school. The school **will not** be responsible for items not delivered. In addition, the school **CANNOT** accept deliveries such as but not limited to: outside food chains, balloons, flowers etc. **School personnel will refuse delivery of such items.**

All money brought for lunch will need to be paid in the cafeteria. Lunch money will be accepted only by cafeteria workers in the cafeteria.

Students should expect escalation in severity of consequences based upon frequency of violations.

### **PARTICIPATION CODE FOR EXTRACURRICULAR ACTIVITIES**

Each student at Shiloh High School who accepts membership and/or holds an officer position in a school organization becomes a representative or ambassador of that particular organization and of Shiloh High School. Membership in a school activity is an honor and a privilege carrying with it important obligations for the participating students. These students understand the responsibilities of a school leader in the areas of academic performance, club participation, school attendance, and student conduct. Any student assigned In School Suspension (ISS) or Out of School Suspension (OSS) will be ineligible for any practice/competition on the day of the suspension. Friday suspensions will result in weekend ineligibility for practice/competition.

### **STUDENT-ATHLETE CODE OF CONDUCT**

Participation in interscholastic athletic competitions is a privilege extended to the students by the Board of Education. Students participating in Georgia High School Association (GHSA) extracurricular athletic activities act as representatives of Gwinnett County Public Schools (GCPS) and Shiloh High School. All students are expected to conduct themselves in such a manner as to meet the highest standards of GCPS and Shiloh High School at all times.

The Code of Conduct is designed to establish high expectations and standards for all students participating in GHSA sanctioned athletic activities. All students, parents, and coaches understand that the top priority is academic achievement. The Code of Conduct establishes high expectations regarding behavior and consistent consequences when violations occur.

**The Code of Conduct goes into effect on the first day a student joins Shiloh High School athletic team.** The Code remains in effect for the entire calendar year, including time when school is not in session. It is our intent to enforce rules that reasonably pertain to the health and safety of the individual and to the integrity of our athletic program. We are not police officers and do not intend to go out looking for violators. We have a great deal of faith and trust in the students in our program. Their welfare is our number one concern. What happens to them is of primary importance to us.

### **ACADEMIC PERFORMANCE**

Each student in a school organization must meet the standards set forth by the State Board of Education and as set forth by the constitution of that particular organization.

### **CLUB PARTICIPATION**

Each club must file a constitution in the athletic office that sets forth the guidelines for membership and participation. Students will adhere to these guidelines.

#### **Clubs and Organizations**

## MEDIA CENTER POLICIES FOR STUDENTS

Shiloh's Media Center has over 18,000 materials (books, videos, and other resources), 20 magazine subscriptions, and 2 newspaper subscriptions. In addition to all of the print resources available, we also have many student computers and access to databases that can assist in all kinds of research.

- Students may check out up to three (3) books at a time.
- The checkout period for books and back issues of magazines is three weeks.
- Students may not check out books if they have overdue books or owe fines. The fine charge for regular books is .05 a day. There is a 3 day fine waiver for overdue books, however students will be charged on the 4th day if the book has not been returned.
- The student who checks out the book is responsible for it and is required to pay for it if it is lost, stolen, or damaged.
- Per Gwinnett County Public Schools policy, the replacement cost for paperback books is \$10 and \$20 for hardback books. Reference book replacement is \$50.
- A book may be renewed unless another student has requested the same book or if the book is an especially popular title. All fines must be paid before a student can renew a book.
- **Lunch Time Visits** -Students may visit the Media Center during their assigned lunch period without a printed pass, but will be required to return to class at the end of their lunch. The Media Center staff will verify the student's lunch period and ensure those students without a pass leave when the bell rings for the next lunch period to report back to class. Student's that are non-compliant may receive disciplinary consequences.
- Food and drinks are not allowed in the Media Center.
- Printing costs are .10 for black and white and .50 for color pages.
- Copies are .15 a page.

- **Media Center hours - Monday - Thursday 6:30am - 3:00pm; Friday 6:30am - 2:30pm**
- **Use of the Media Center's computers and access to the network is a privilege—not a right.** Students who fail to follow the rules may have these privileges withdrawn and administrative action may be taken.
- Gwinnett County provides subscription databases to all students. These research resources are the first place a student should go to find reliable and accurate information. In order to access the databases from home, students need to pick up a list of passwords from the Media Center.
- **ALL STUDENTS MUST PRESENT THEIR SHILOH HIGH SCHOOL ID BADGE IN ORDER TO ACCESS THE MEDIA CENTER.**
