

HES PTO BUSINESS PARTNER PROGRAM

The PTO at Harmony Elementary School aims to foster strong relationships between local businesses and our school community. Our Business Partner Program invites local businesses to support our educational initiatives and activities through sponsorship and collaboration.

Benefits for Business Partners:

- **Visibility:** Your business will gain exposure through school events, newsletters, and our website.
- **Community Engagement:** Strengthen your community ties by demonstrating commitment to education.
- **Networking Opportunities:** Connect with other local businesses and families within the school community.

How It Works:

- Businesses can choose from various sponsorship levels, each offering unique promotional opportunities.
- Partner contributions may support specific programs, events, or general school needs.

We believe that together, we can enhance the educational experience at Harmony Elementary School while fostering a vibrant community spirit.

For more details, please see the attached spreadsheet for Sponsorship Levels and what they include.
