It is wonderful having K-1 students back in the building, for those who opted to return in person. In the next few weeks, we will see about 670 students returning.

At this time, Laura Callahan and Amanda Eich gave the staff time to reflect on having students back in the building. Those who spoke were excited to have students to teach in person, and were impressed at how well the younger children were keeping their masks on throughout the day.

The staff also gave a lot of positive encouragement to PTA for all they have done to support Ivy Creek.

Adjournment: Meeting was adjourned at 6:28pm.
