One Day/Short Term Transportation Change Form

For a one-day or short-term afternoon transportation change, please complete the form below and give to your child's teacher in the morning to be brought to Ms. Schussler for an Official Bus Pass or car-rider/daycare notification. We will NOT be able to accept this via fax. Additionally, transportation changes will NOT be accepted by phone.

*Please note: afternoon transportation on GCPS Bus is limited to childcare hardships not afternoon playdates.

*If your child normally goes to a daycare, please be courteous and notify the daycare facility of the change.
