Dear Parent/Guardian,

In an effort to prepare for your child's transportation needs for the 2021-2022 school year, please complete the attached transportation form and return it by May 14, 2021. If your student is a car rider, please include your car rider number in the space provided on the top right side of the form. Every student returning to Fort Daniel next year will need a completed transportation form. Please call the front office at 770-932-7400 with any questions.

Thank you,

Dr. Barbara Tucker
Principal
