Flowery Branch Road Closure January 06, 2020

Mill Creek Cluster Schools

Due to the upcoming road closure of Flowery Branch Road, buses might be later in the mornings and afternoons. We will be making some necessary adjustments to routes prior to the road closure and you will receive written notification of the changes and the effective date.

If you do not receive written notification of any changes prior to the road closure that means your route wasn't directly impacted. With the road closure we are anticipating heavier traffic volume therefore we will be observing school arrival times for approximately 1 week after the road closure. After 1 week of assessments, we will then make necessary time changes and again written notification will be sent home via your child.

All changes will remain in effect for the remainder of this school year 19/20.

We will do our best to run as efficiently as we can and make all transitions as minimal as possible.

We apologize for any inconveniences this may cause however; it is out of our control.

Thank you,
Vicki Massey
Transportation Supervisor
