Agriculture, Food and Natural Resources Cluster

Overview
The Agriculture, Food and Natural Resources Career Cluster is divided into seven pathways. The pathways are created by common knowledge, skills, and abilities (KSAs) that are needed for success in a variety of careers and educational pursuits. The seven Career Cluster groups (clusters) are: careers in agriculture, maintenance, production, processing, promotion, and marketing of agricultural commodities and services, including food; food and nutrition; and food processing, technology, and other products and services. Labels include related careers and education resources.
