

Credit Recovery Boot Camp January 2021

Credit recovery is a program for students who did not pass a core class. Students can take a condensed version of the course to earn credit towards graduation. Successful credit recovery grades will appear on a student's transcript but it will NOT replace the failed grade. Credit recovery allows students to earn credit and get back on track towards graduation. Student athletes who are seeking athletic scholarships should consult with their counselor prior to registering for Credit Recovery because it is not accepted by NCAA.

Who is eligible?

- Students who failed a class during fall or spring semester. For math classes only, the minimum grade must be 50%+. For all other classes, the minimum grade requirement is waived this semester.

When is Credit Recovery offered?

- For the JANUARY Credit Recovery Boot Camp, credit recovery courses will be offered for a small cost of \$50. This Boot Camp will offer a combination of Digital and In-Person sessions to accommodate all learners.

How does the program work?

MVHS uses Georgia Virtual School's online program for credit recovery. This is a self-paced class with embedded tests. Success is NOT guaranteed! While we have had great success this year with many students recovering credit, an online program is not for everyone.

When is the Credit Recovery Boot Camp?

- Zoom Orientation Session- Tuesday, January 19th 3pm
- Zoom Help Session #1- January 20th, 3pm-5pm
- Zoom Help Session #2- January 27th, 3pm-5pm
- In-Person Sessions at MVHS- January 29th, 2:10pm-6:00pm; January 30th, 8:00am-3:00pm
- *Attendance is recommended but not required for the Zoom and In-Person sessions. Credit Recovery courses are self-paced and can be completed at home. We understand that students have family obligations during the holidays and we want to offer a blended program to support the health concerns for families.*
