# Zoom on School Chromebooks

Gwinnett County Public Schools   Call your school for additional support

Note that each student using the chromebook will need to follow these instructions to enable Zoom.
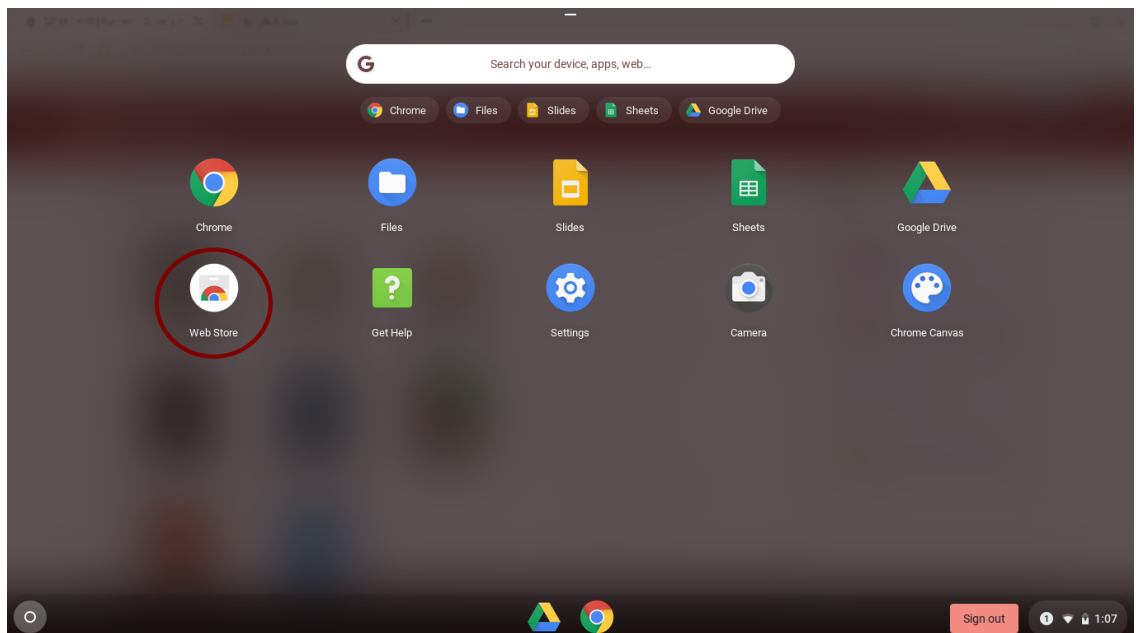

1. Log onto the Chromebook

2. Click the app launcher icon, which is a circle on the left of the taskbar at the bottom of the screen.

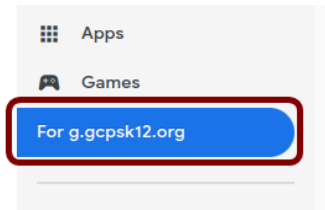

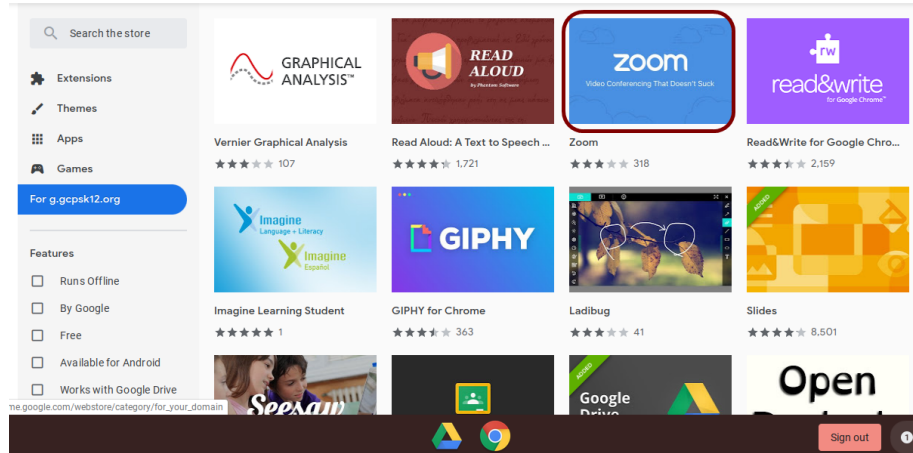

3. Click the upward arrow above the search bar.

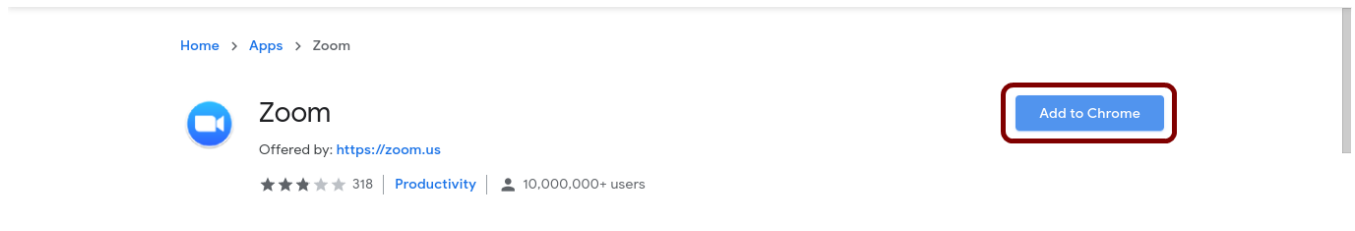

4. Click Web Store.

5. Click For g.gcpsk12.org in the menu on the left side.

6. Click Zoom.

7. Click Add to Chrome

8. Click Add app

9. Zoom is now on your Chromebook. You can click the app launcher to access it.
