

# School Chromebooks at Home- Connecting to Wifi

Gwinnett County Public Schools

Call your school for additional support

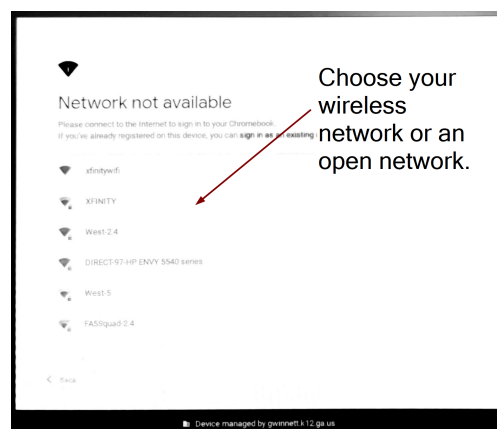

## 1. Power on the Chromebook

- Open the chromebook.
- If the chromebook does not power on, hold down the power button. This may be on the side of the chromebook or on the top right of the keyboard.

## 2. Connect to wifi

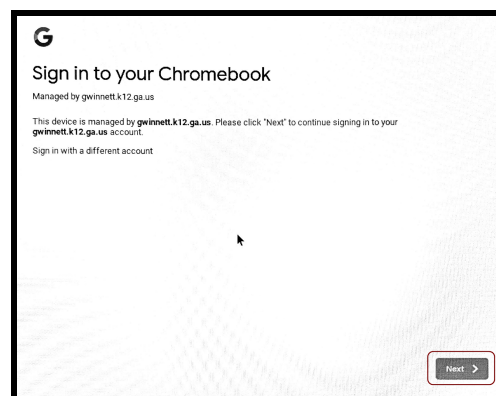

- Because the chromebook is no longer at a school location, the wifi settings will have to be updated.
- When you power on your chromebook, you will be asked to select the wifi network. Click on the appropriate network for your location.

- If your network is password-protected, enter the password for your wireless network.
- Click **Connect**.

- You will then receive a message that the chromebook is managed by Gwinnett County Public Schools and will be asked to log on to the chromebook. Click **Next**.

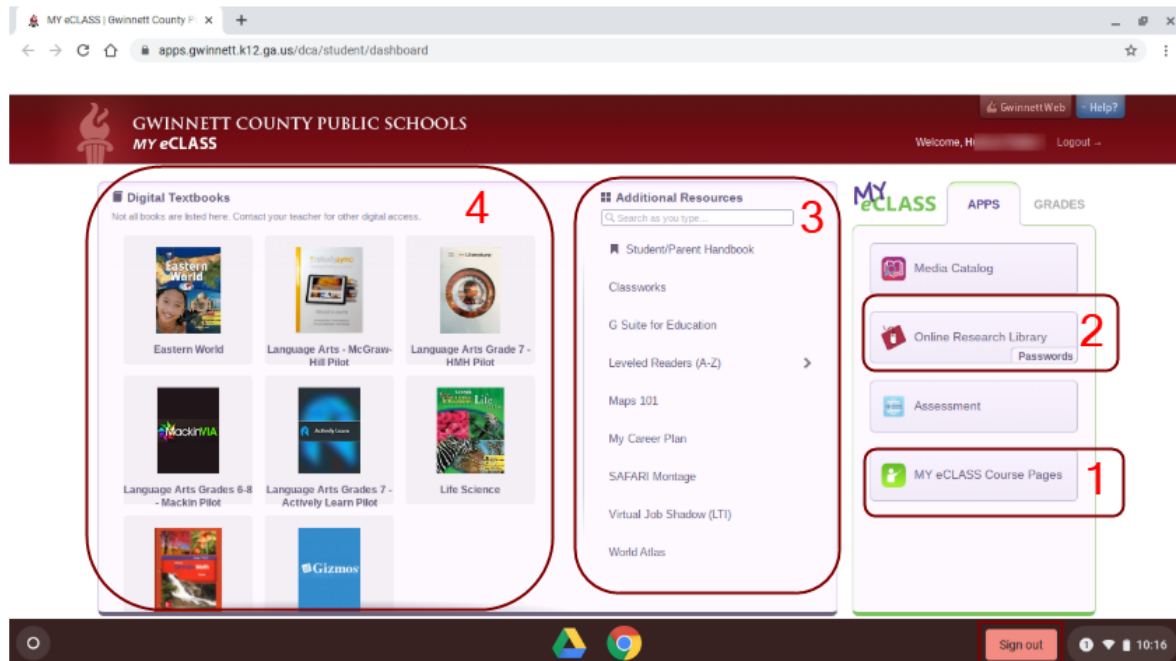

### 3. Log onto the Chromebook

- You will be redirected to the portal login screen.
  - Enter your student number and password.
  - Click **SIGN IN**.

### 4. Utilize your Student Portal

- You are now logged onto the GCPS chromebook and into the student portal.
- From your student portal, you can access the following:
  1. Your eCLASS Course Pages (where your required Digital Learning assignments are located)
  2. The Online Research Library
  3. Additional resources such as G Suite for Education (Google Docs, Google Meet, and Google Classroom)
  4. Your digital textbooks

### 5. Sign Out

- To sign out, click on the red **Sign out** icon at the bottom of the screen. This will allow a different user to log on. You should not need to re-enter wifi credentials.
