

We Need You!

Harbins Elementary is steadily preparing for the coming school year 2020-21 and we need you! While we are still waiting official plans from the district regarding the start of the school year, we want to make sure we are taking care of our newest students. If you have a child who will be in kindergarten, please reach out us. If you know someone who has a rising kindergarten student, help us spread the word! We want to communicate with our kindergarten parents and students!

An advantage to registering your student is that you will then receive messages from the district and the school. This is the best way to stay informed!

The first step would be to visit our website at www.harbins.org.

You will Choose a Path that fits your circumstances.

Choose a Path:

Expand All

Path 1 - Current Harbins Students +

Path 2 - Transferring within GCPS +

Path 3 - New to GCPS +

When registering a student, you will be required to load documents. Please be sure to look at the list first and gather those items.

When you are registering online, these are still documents you will need. If you cannot scan these documents for upload, keep them handy and wait for more directions later:

- An official document showing proof of birth date (birth certificate or passport).
- Proof of residency in attendance zone (one utility bill – gas, electricity, water AND closing statement for your home)
- A Georgia certificate of immunization (GA Form 3231)
- Evidence of Vision, Hearing, Dental, and Nutrition Screening (GA Form 3300)
- A photo ID
- Proof of custody/guardianship (if applicable)
- The child's social security card (if number provided in the online registration)
- If you reside with others in their home, a Notarized Residency Affidavit must be submitted with the following items:
 - The affidavit must be signed by the person owning the home and parent/guardian
 - A current gas, water or electricity bill
 - Mail with your the parent/guardian's name

Please keep in mind that without your registration, you are not able to receive communication from Gwinnett County Public Schools or Harbins Elementary.

We encourage you to process the enrollment online. However, if you have difficulty with the process, please call the school at 770-682-4270 to make an appointment. We will do all we can to make this an easy process for you and your family.
