

Harmony Elementary Summer Reading 2020

Reading for a few minutes (or more) every day is the best way to keep your reading muscles strong this summer. The best part is that it doesn't matter what you read as long as you keep reading. Comics, cookbooks, poetry, joke books, scary stories, magazines...it all counts!

There are many ways to participate in Harmony's Summer Reading Program. Get more information on Dr. Friese's eClass page.

- 1.)Join the Gwinnett County Public Library's beanstack program to log your reading. You'll get prizes from the library AND your school. See gwinnettpl.org/summer for details.
- 2.)Print out the Harmony Elementary Summer Reading Bingo Card on Dr. Friese's eClass page. Fill it out and bring it back for a chance at a great prize.
- 3.)Find books by great authors. Check out the other side of this flyer for details.
- 4.)Read digital resources using the information on Dr. Friese's eClass page.
- 5.)Come to our Book Mobile event on June 17 to choose 2 free books!
