

## SECKINGER HIGH SCHOOL

Gwinnett County  
Public Schools

*Dear Seckinger High School Students and Families,*

I am Memorie Reesman, and I am so very pleased and proud to introduce myself as your future principal at Seckinger High School. Together we have a unique opportunity to be a part of something really special—the launch of Seckinger High School, opening in August of 2022!

This next-generation high school will offer innovative learning opportunities and preparation for fast-paced environments of the future. It will offer a comprehensive high school experience designed with today's student in mind. Students will be able to excel in academics, athletics, fine arts, extracurricular activities, student associations, leadership opportunities, service organizations, and more. The total student experience is a high priority at SHS.

I hope to partner with each of you, as we begin to grow our community and build our brand. The creation of a caring, inclusive, and participatory community for all students and parents is especially important. Upcoming opportunities include focus groups, a community survey, community meetings, and staff and student meetings at MCHS and MVHS. Time-sensitive information will be sent to you through School Messenger.

The traditions that you build, as the Class of 2023, Class of 2024, Class of 2025, and Class of 2026, will be your legacy to our community for many years to come. I can't wait for us to get started!

Welcome to Seckinger High School!

Kindest regards,

*Memorie Reesman*  
*Principal*
