2020 - 2021

Ready for summer? Don't forget to read!

It is almost the end of the 2020-2021 school year and what a year it has been! As we approach the end of the year, please remember to read every single day of summer break. Reading at least 20 minutes a day will aid your child in being successful in school.

Be sure to.....

Summer Reading Tips

- Read with your child
- Read to your child
- Allow your child to listen to audio books
- Allow your child to choose what he or she would like to read
- Create a fun reading spot in the home - maybe set up a tent or a fort!
- Visit the public library, they even do curbside pick up!

Complete the summer reading challenge! This challenge is a brightly colored bingo board that has 25 different reading activities on it. If the child completes all the activities and brings the form back the first week of school, signed, then he or she will receive a popsicle party!

Lost the sheet? No worries! You can print out a copy from our Harris website!
