The purpose of the Parent & Student Handbook is to provide Coleman families with school policies and procedures...Please keep this handy throughout the school year as a quick reference.

GWINNETT COUNTY PUBLIC SCHOOLS

Gwinnett County Public Schools will become a system of world-class schools where students acquire the knowledge and skills to be successful in college and careers.

The mission of Gwinnett County Public Schools is to pursue excellence in academic knowledge, skills and behavior for each student resulting in measured improvement against local, national, and world-class standards.

COLEMAN MIDDLE SCHOOL

Vision

Coleman Middle School will become a student-focused community which promotes life-long learning and real-world problem solving through the integration of **Science, Technology, Engineering, Arts, and Math** in a global learning community.

Mission

The mission of Coleman Middle School is to provide students with rigorous and innovative learning opportunities using **Project / Problem Based Learning (PBL)** which promote collaboration, critical thinking, community, and creativity.

Beliefs

We believe all students can be successful through the implementation of our instructional framework.

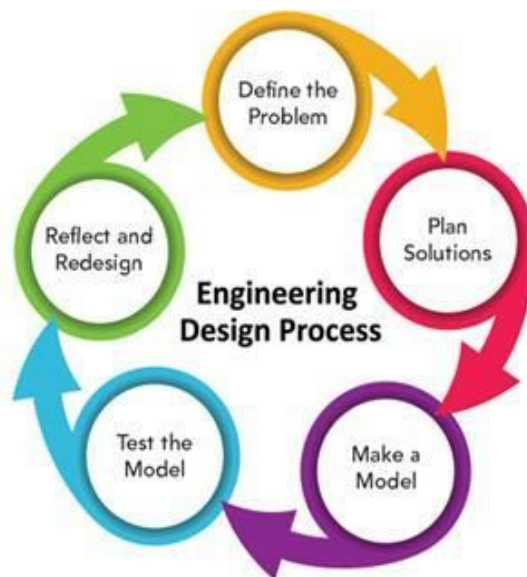

We believe, with support from faculty, parents, and our community, students will be empowered to take risks.

We believe in using interests, strengths, and talents to encourage and support learning through the 5 E approach—engage, explore, explain, extend, evaluate.

We believe cultivating a positive learning environment in every classroom is critical.

We believe in building life-long learners—including students, parents, teachers, and the community – through the STEAM experience.

We believe all teachers and students are innovators.

Student Hours 9:20 a.m. - 4:00 p.m.

12:57 - 2:30	3rd academic
2:30 - 3:50	Connections
3:50 - 4:00	Homeroom

***Students will not be allowed to enter the building before 8:50 a.m. Do not drop off students**

. The time missed from class results in a loss of many educational experiences. To be successful in school, students must be on time to school, remain in school until the end of the day, and be at school every day possible. We encourage you to make every effort to schedule dental and doctor appointments after regular school hours. Students arriving after 9:15 A.M. are counted tardy. In order to be counted present, a student must attend at least half of the school day (approximately 3 hours, 20 minutes). The cutoff time is 12:40 P.M.

Students will be considered truant after five (5) unexcused absences. Also, students who are 14 years of age and above, and have 10 or more unexcused absences, will be unable to obtain, keep, or renew a driver's or learner's permit. Excessive absences/tardies may warrant an attendance review committee meeting with the county social worker to review an attendance plan.

Check In

It is not necessary for parents to accompany students to the office; however, the school must have a note indicating why he/she is late. The note should be given to the front office. The student will be given a hall pass to class after signing in.

Check Out

If a student is to be checked out prior to dismissal, parents must come to the office **before** P.M. and ask a school clerk to call for the student. The parent must sign the student out before the student can leave the building. Proper identification is required. It is helpful for the parent to know which class the student is in at the time the parent wants him/her dismissed. Students are responsible for returning their school issued device to homeroom before checking out.

Excused Absences

In the case of a necessary absence from school, a student must bring a written excuse from parent/guardian stating the reason for the absence. This excuse must be given to the grade level office on the day the student returns to school. Excuse notes for multiple periods of absence are not allowed.

State Board of Education Rule 160-5-1-.10 defines the following as excused absences:

1. Personal illness or attendance in school endangers a student's health or the health of others.
2. A serious illness or death in the student's immediate family necessitating absence from school.
3. A court order or an order by a government agency, including preinduction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety (For Gwinnett County Public Schools, the closure of schools for hazardous conditions may only be made by the Superintendent for the purposes of excused absences.)
6. Local boards of education shall count students present when they are serving as pages for the Georgia General Assembly.
7. Public school students whose parent or guardian is in military service and who is being sent overseas for active duty or returning from active duty are allowed five excused absences per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such deployment or during leave.

Unexcused Absences

Family trips are deemed unexcused and must be recorded as such.

If a student accumulates 10 or more unexcused absences a Student Attendance Review committee meeting will be held. Excessive unexcused absences may warrant a doctor's note for future absences.

For work missed during absences due to prearranged unexcused trips, **the student is** _____ for the following:

1. Staying current with his/her classes and completing assignments;
2. Taking tests over material covered during his/her absence
3. If an assignment sheet is given prior to absence, it is expected that work will be turned in the day the student returns.

BALLOONS & GIFTS

If students receive balloons or other gifts during the academic day, those items will remain in the front office for parent pick-up. Balloons are also a safety issue and are not allowed on the school bus.

Because each student will be issued a device for instructional use during the school day, students **will not be allowed** to use their own devices (cell phone, laptop, I-pod, I-pad, etc.) between the hours of 8:50 AM and 4:00 PM. Consequences will be issued to students who do not comply with this school policy. Teachers will inform both students and parents in advance if phones can be used during a specific activity (i.e. taking pictures on a field trip, etc). Should parents need to communicate with their child during the school day, they need to call the appropriate grade level office.

The Coleman clinic is available to students who get hurt at school, feel ill, or need to take medication during the day. Parents will be called if students are too sick to remain in school or have been hurt. When your child is ill or not feeling well at home use your best judgment about sending him/her to school. We do not want to risk infecting others. In the event that your child is diagnosed with an infectious or contagious illness/disease please notify the school so that we may take proper precautions to limit spreading the illness.

It is imperative to update telephone numbers and emergency contacts with the school so that in

Parents must come to the clinic to complete the appropriate paperwork for dispensing of medication at school. **STUDENTS ARE NOT ALLOWED TO TRANSPORT MEDICATION TO AND**
This is a policy that must be respected for the safety of all students.

Teachers provide timely information regarding student progress through eCLASS (parent/student portal). To sign up, stop by the front office and complete the form. Photo ID is required.

Every 4.5 weeks

Progress reports are sent home each 4.5 weeks.

Every 18 weeks

Report cards are sent home each 18 weeks.

Communication with teachers

Your student's teacher is always the most appropriate first contact. If you would like to speak with a teacher regarding your child's progress, please call or email the teacher to schedule a conference.

We do not interrupt teachers during instructional time nor during arrival and dismissal. Therefore, conferences will be scheduled in advance during an agreeable time for both parties.

Coleman teachers and staff have the same ending to their email address: @gwinnett.k12.ga.us. You will need to insert the teacher's name and the underscore symbol (_).

Example: JW_Mozley@gwinnett.k12.ga.us. Teacher email addresses are also available on the school website.

Communication from the school

It is the desire of the school to provide timely communication with tools commonly used by society today like phone, email, text, etc. We understand that some families may not have email addresses and we will continue to provide hard copies of school communication on an as needed basis. We intend for our school website to be user friendly and to have "just in time" information to assist you. We recommend that you bookmark the school website on your computer for easy access.

REMIND 101

We use the Remind 101 program to send out reminders and important messages. If you are interested in having your cell phone added to this Remind 101 program, text the following message to 81010: @coleparent.

COUNSELOR

Dr. Margaret Hodges and Ms. Dianne Parker are Coleman Middle School's school counselors.

The mission of GCPS school counselors is to assist in removing barriers to students' academic achievements and to promote a safe and secure environment by providing developmentally appropriate counseling services based on best practices.

Coleman Middle School counselors provide guidance through individual counseling/planning, small group counseling, large and small group guidance, classroom guidance, and parent and teacher consultation. Additionally, the counselors coordinate school-wide programs designed to enhance student success and encourage family involvement in the learning process.

When should I contact the counselor?

When your student is having difficulty achieving academically.

When family changes interfere with academic progress.

When you want to become more involved in your student's educational and career choices.

When you need help to interpret tests and school records and track school progress.

When you want to discover available community resources and agencies for your student or your family.

Student dress should not cause any distraction from the instructional program. Students are encouraged to dress appropriately for the school setting, suitable to weather conditions, and in good taste. Short skirts, short shorts, or halter tops/crop shirts are not considered appropriate dress for school. Hats, bandanas, and sweatbands should not be worn in school. Students should not wear any clothing that advertises alcoholic beverages, drugs, or violence. Students should wear shoes that allow for safe travel. High heels will not be allowed on the gym floor. The leadership team has the discretion to determine if clothing or attire is distracting from the instructional program. Students and parents will be asked to assist in making the attire suitable for a learning environment.

Only 7th and 8th grade students who are in good standing in terms of academics and behavior are allowed to participate in tryouts, practices, and game events. Academic eligibility is determined on the first day of the semester and is based on students having passed four of five courses the previous semester. (Connections = 1 course)

Each year Coleman Middle has evacuation drills so in case of an emergency the teachers, staff, and students are well prepared. These procedures are developed so that every parent can become familiar with the emergency evacuation check-out procedures in case we would need to evacuate.

Please be assured that the Coleman Middle teachers and staff will do everything possible to

ensure the safety of your child(ren). If we ever have to evacuate, remain calm and listen to the school staff. Remaining calm will help us insure the safety of all students and faculty.

- Parents **cannot** check out students until all students arrive safely and are accounted for at the reunification site.
- Students will be dismissed upon parent arrival.
- ALL parents will be required to show a PICTURE ID. This will be checked against the student's information card.
- Runners will be positioned behind a Check-Out Monitor at each table. The monitor will approve the parent checkout and the runner will bring the children to a designated parent pickup area.
- Once a runner has been assigned to get your child/children, we ask that all parents wait in a designated pick up area located AWAY from the table. This area will be identified at the site.
- Parents **MAY NOT** pick up other parent's children unless it is indicated on the student information card.
- Please make sure anyone authorized on the student information card to pick up your child during an emergency is familiar with the check out procedure, grade level and teacher's name for your child/children. Parents may update the student information cards in the school office with the names of people who can pick up your child during an emergency.

Field trip contributions are requested for admission and transportation. No student will be denied or penalized for failure to contribute; however, if enough funds are not secured, the field trip must be cancelled.

GYM LOCKERS

Gym lockers are not the private property of the students. Lockers are issued to students as a service and for their convenience. Students are responsible for the contents of their lockers. Lockers may be searched at any time without the student's consent.

HANDICAPPED ACCESS/MOBILITY IMPAIRED

Gwinnett County Public Schools wishes to meet the needs of all our students and families. If any member of your family needs assistance or has any questions regarding mobility impaired issues or handicapped access, please contact the principal of your local school.

Harassment and/or bullying are not tolerated. If a student feels that another student is harassing him, it should be reported immediately to a counselor, teacher, or administrator.

HELP SESSIONS

Help sessions will be held beginning at **8:20 on Fridays only**.

Students will not be admitted to classrooms before 8:50 AM on non-help session days unless

Homework is an extension of the learning process that reinforces skills that have been taught in class. Homework is a way to keep parents informed and involved with the child's schoolwork. It is also a method of helping students establish self-discipline and study skills. Time spent on homework should promote productive and positive experiences.

Coleman Middle School teachers and administration believe homework does play a vital role in our students' overall achievement. Students and parents must be engaged in work at home and must be invested in appropriate practice time to ensure skills are continuously reinforced. We believe assigned homework must be intentional and appropriate; homework should not be long lists of tasks or endless practice problems.

Ideally, homework should review the day's work and preview the next lesson in order to allow teachers to teach at a deeper level. On average, students should commit 60 to 90 minutes per evening to completing homework; this will vary by grade level.

The faculty and administration depend on parents to monitor their children while they complete their homework; because we feel homework is vital, it will be taken for a grade and count for 5% of the student's grade.

When homework is taken for a grade, late homework will not be accepted. If a student does not turn in the homework when it is due, a "NTI" (Not-Turned-In) will be recorded in the gradebook.

An Honor Roll is posted each semester to recognize all students who have earned all A's or A's and B's on their progress report.

Principal Honor Roll - Students earning all A's

Honor Roll – Students earning all A's & B's

The cut-off for year-long awards will be the end of 3rd quarter.

Award Programs - Award programs honoring students' achievements are scheduled during the months of January and May.

HUMANITIES

Language Arts and social studies will be integrated into one humanities class. While the subject

will be taught through an integrated approach, students will receive a separate Language Arts and Social Studies grade.

The following are GCPS procedures for inclement weather and how the school system handles school cancellations.

which present threats to the safety of students, staff, or school property.

The superintendent makes the decision about school closing based on a cross-divisional and with information from public safety officials, the Georgia Emergency Management Agency, Gwinnett County officials, and the state Department of Transportation. In addition, when inclement weather is an issue, members of the GCPS Facilities and Operations team head out as early as 3:30 a.m. or 4 a.m. to drive roads around the county and assess road conditions. The school system's Transportation staff ensures that buses are operable. (Extreme cold can cause operational problems for diesel buses.) Facilities are checked in the early hours, and GCPS works with power providers, as needed. Local school principals gather information for the leadership team about specific school conditions.

It is more likely for school to be cancelled in the early morning— due to dangerous road conditions that formed overnight— than for school to let out early because bad weather is moving in.

The school system immediately notifies all **major radio and television stations** in metro Atlanta. In addition, the information is announced on **GCPS TV** and posted on the **school system's website** (www.gwinnett.k12.ga.us)

Should severe weather move into the area during the day, plans to cancel classes will be on metro-Atlanta radio and TV stations and on the school system's web site before school is dismissed.

LOST AND FOUND

Lost and found is located in the cafeteria. To claim lost articles students should see Theresa Bailey with their lost clothing. Any unclaimed clothing is given to a charitable organization at the end of each month.

When absent it is the student's responsibility to ask for assignments missed. It is the student's responsibility to turn in make-up work. eCLASS will house assignments and information for the student.

PROGRESS REPORTS

Progress Reports

Teachers will send home grade reports at 4.5 week intervals.

Formal Grade Reporting (Report Cards)

*1st semester: Formal report card to go home in January 2018.

*2nd semester: Formal report card to go home the last day of school.

Updated grades are available via the Parent Portal, and parents are strongly encouraged to monitor their child's grades on a regular basis. Contact the clerical staff in the front office to sign up for the parent portal.

**If your child is allergic to milk or other foods, please contact the cafeteria manager as well as the clinic worker.

Gwinnett County Schools Breakfast & Lunch Requirements

A reimbursable meal includes at a minimum, one breakfast entrée, and one breakfast side. At a maximum a child can have one breakfast entrée, and two breakfast sides. Sides include milk, yogurt, and fruit. Ala carte sales policies are the same for breakfast as for lunch. If you are on free lunch or reduced lunch you can receive a free reimbursable breakfast or a reduced reimbursable breakfast. If not reimbursable, you must pay the a la carte sales price.

: All lunches are planned using a Food-Based Menu Planning Approach and contain 5 food components- Fruits, Vegetables, Grains, Meat/Meat Alternate and Milk. A reimbursable meal must contain 3 of the 5 components at a minimum and 5 of the 5 components at a maximum. A reimbursable meal must also contain at least one serving of the fruit and vegetable component. Student may take up to 2 servings from the fruit and vegetable component.

Students who bring their own meals are allowed to purchase milk, juice or water to go with their meal but are not allowed to purchase a la carte items.

Cafeteria

Parents are always welcome to have lunch with their children. **In compliance with state**

This includes carbonated drinks such as Coke, Pepsi or Sprite. We encourage our parents and lunch guests to purchase a school lunch when coming to eat with their child.

MyPaymentsPlus allows you to go online and manage your student's meal account.

MyPaymentsPlus allows you to make deposits at no cost and create settings to auto-replenish

your account or receive free reminders when the balance is low. Go to <http://www.mypaymentsplus.com/> to logon and use MealPayPlus! You will need your child's student number. Ask your child or call the front office for that information.

Students have permission to purchase additional portions of food **before** they are seated. Once a child has taken his/her seat they will not be permitted to get up. They will be charged the additional entree amount at the register.

Bringing Food/Drink to School

Students may bring a nutritious snack to school to be eaten during the instructional day.

As stated previously, in compliance with state standards, students and parents are not allowed to bring food from "fast food" restaurants. This includes carbonated drinks such as Coke, Pepsi or Sprite. We encourage our parents and lunch guests to purchase a school lunch when coming to eat with their child.

Brochures on school insurance are available in the school office and on our school website.

SCHOOL SAFETY

We take a proactive approach to school safety. Included in this effort are the following:

- Fire drills
- Bus evacuation drills
- Tornado drills
- School Safety Plan
- Lock down drill
- Supervision during class changes
- Limited access to building
- School Resource officer
- Police security at basketball games
- First Response for medical assistance
- Student check-out procedure
- State immunization requirements
- Monitoring of bus arrival and dismissal
- County help hotline (770-822-6513)
- First aid and health information through Health classes
- Counseling services based on student need or in time of crisis

In order to keep our records current, please notify the office immediately of a change in any of the following:

- *Address (documentation of proof of residency required)
- *Telephone numbers
- *Change in guardianship
- *Person to call in case of emergency or when the parent cannot be reached

Withdrawal Procedures

- Please notify the registrar at least 48 hours before your child is to withdraw from school.
- A Record of Pupil Withdrawal form will be sent home on the last day of attendance and should be given to the new school upon enrollment.
- Upon receiving the signed release of records from the transferring school, the student's records will be mailed to the new school.

If a student needs to use the telephone, there is a designated phone for this use in the grade level offices. Classroom instruction cannot be interrupted to call students to the office to talk on the telephone. Emergency messages will be delivered to the student via the teacher.

TEXTBOOKS, EQUIPMENT AND INSTRUMENTS

All materials, textbooks, equipment, and instruments are purchased by the taxpayers of Gwinnett County through Gwinnett County Board of Education. CMS is authorized by the School Board to issue and/or loan materials, textbooks, equipment, and instruments to students for their use during the school year.

The student and his/her parent are responsible for returning the materials at the end of each school year when an inventory is taken. Students will be charged for items lost or misplaced.

The student and his/her parent are also responsible for losses, damages, or vandalism, whether accidental or purposeful that occurs to any material, textbook, equipment, or instrument that has been issued or loaned to a student.

Students are not allowed to sell or trade items at school. The school should also not be used as a place for distributing items sold outside the school. Distribution of non-school materials is not allowed and will result in a discipline referral.

TRANSPORTATION

Alternate Transportation

You must complete an Alternate Transportation Form if your child is going to another location other than your home after school. Therefore, if your child is a car rider, day care van rider, walker, bike rider, or will travel on GCPS bus to a grandparent, babysitter, daycare in our attendance zone, etc., then you must complete this form.

Car Riders

Riding the bus ensures a safe and secure arrival and dismissal for students at Coleman Middle each day. We encourage all students to ride the bus in an effort to ease the congestion that is created on Hill Street and Brock Road. We ask that you read the following procedures carefully to ensure that your child will be safe each school day if they are being transported by car. Please go to <https://youtu.be/0byEZnZCLqM> to view the car riders procedures video.

1. Please send a note to the teachers if there is any change in the way a student usually goes home if they are a car rider. Changes in transportation for car riders **should not be sent through email**. If a teacher is absent, the substitute teacher does not have access to the teacher's email.
2. Morning drop off for students will take place in the back parking lot. We will use the entire sidewalk to unload students. **Please do not park your car in the parking lot, on Brock Rd, on Hill Street, or in neighborhoods to send your child or walk your child across the car rider lane. If you have business in the building, please enter through the front doors of the school.**
3. ***Our staff will close the car rider line at 9:20 AM.*** Students will be marked tardy if they are not **in their classroom by 9:20 AM.**
4. At the end of the school day, children will remain in a supervised area until someone picks them up from school. To pick up your child, you must enter **through Brock Road** and proceed through our parking lots to the sidewalk directly in front of our entrance. **Do not pull around other cars in the line or park your car and walk up to get your child.**
5. Your car must be totally stopped before your child will be permitted to step out to enter your vehicle.
6. For the safety of our students, **please do not enter the bus lane during student drop off and pick up times.**
7. **Students may not be dropped off before 8:50 AM as we cannot guarantee adult supervision until that time.**
8. Please remain in your car at all times.

Our students' safety is of utmost importance. We would like everyone to adhere to these procedures to ensure a safe and efficient transport. Failure to follow the above procedures will result in your Car Rider privileges being revoked; your child will then need to be transported home by bus. Thank you for doing your part.

Walkers & Bike Riders

Walkers and bike riders should enter the building using the door located by the gym. Walkers must always use public sidewalks. Bike riders may use the bike rack located behind the school.

Please secure your bikes to the rack as Coleman Middle is not responsible for lost or stolen property.

Should you need to change transportation arrangements, a written note with a phone number from the child's parent or guardian indicating the change in his/her transportation home is required on the morning of the change. This note should be brought to the appropriate grade level first thing in the morning by the child to be signed and verified by a school official. We cannot accept changes by phone or email as this does not allow us to provide maximum safety measure for students. If emergency changes need to be made during the school day, a parent or guardian must FAX (678-407-7436) a note, along with a copy of their driver's license (Picture ID) to the office prior to 2:00 p.m. The principal or principal designee will approve the change. No

Visitor Check-In and Class Visitations

Pursuant to Gwinnett County Policy KM, the following practice is in place at Coleman Middle:

Any visitor with legitimate business on school grounds must sign in via the front office and request a visitor's pass. The visitor's pass must be clearly visible the entire time the visitor is on campus. To ensure the safety and confidentiality of students, Gwinnett Public Schools places the following limits on classroom visits:

During School Hours

- The parents/guardians (or court appointed guardians) of current students;
- Other family members of current students who are approved by the student's parent/guardian; and
- Those persons invited by the Gwinnett County Public Schools for official business.

The principal or designee may, at his/her discretion, grant or deny permission for classroom visits and determine the duration of time.

Students should not bring student visitors to school.

We encourage parents to visit the school, but for the protection of all children, parents and visitors **must** check in and out through the office and receive badges. During these visits, the regular school program must continue. An appointment must be made for visitation and/or conferences. If you need to meet with a teacher, please schedule a time by contacting the teacher directly.

After School Hours

No students or unauthorized visitors may remain on the school campus after regular school hours without supervision.

School personnel have the authority to warn persons trespassing to leave the facilities or properties. Persons who refuse are subject to prosecution under the laws of the State of Georgia.
