

**Taylor Elementary Presents:**  
**Women's History Month**  
**A Celebration of**  
**Inspirational Women**

**Grades K-2**

March is Women's History Month. This annual observance is a time to recognize and honor Women's achievements, historical roles, and contributions to our society. The Taylor Family has organized activities to foster awareness, equality, insight, and inspire the next generation of leaders. To celebrate women who have made an impact on our students and women worldwide, (i.e., a singer, actor, politician, pro athlete, family member, etc.), your student will receive "A Woman Who Inspires Me" writing prompt. This writing prompt will be the perfect way for the students to say thank you or to tell a woman how much they inspire them to achieve more and be the best version of themselves on this day or any day in the year! The portrait and writing prompt will be displayed throughout the school's hallways for all to see! We are excited to learn about all the women who inspire our students!

**Remember to complete the activity neatly!**

\*Please check your child's backpack for the writing prompt.

\*Writing prompts are due on Monday, March 18, 2024.

March is Women's History Month. This annual observance is a time to recognize and honor Women's achievements, historical roles, and contributions to our society. The Taylor Family has organized activities to foster awareness, equality, insight, and inspire the next generation of leaders. To celebrate women who have made an impact on our students and women worldwide, (i.e., a singer, actor, politician, pro athlete, family member, etc.), our students will have the opportunity to write a letter to a woman from the past or present who inspires them to achieve their dreams. The students will select a woman who inspires them to be the best version of themselves every day of the year! In the letter, the students will tell the woman just how much they inspire them and why. The letters will be displayed throughout the school's hallways for all to see! We are excited to learn about all the women who inspire our students!
