St. Vincent de Paul

678-892-6163

<http://www.svdpatl.org/>

- Financial assistance for medical and dental care as well as prescriptions.
- Direct aid or assistance is offered on a personal basis.
- Once SVDDeP conferences receive requests from clients, trained home visitors, commonly called Vincentians, conduct face-to-face meetings generally in the client's residence to understand the clients' circumstances first-hand and determine the appropriate assistance.

The Hope Clinic

770-685-1300

<http://www.hopeclinicgwinnett.info/>

121 Langley Drive, Lawrenceville GA 30046

- Hope Clinic is not a free clinic; however they do offer reduced fees to uninsured patients. Fees are charged to patients on a sliding scale that is based on their annual household income. The Clinic charges reduced fees for cash paying patients. The Hope Clinic provides medical care at rates that are 30 to 60 percent less than the actual cost of services.
- The Clinic accepts two types of payment: (1) Self Pay—for patients who are uninsured or who do not want insurance filed, (2) Medicare (NOT Medicaid).
- If you elect to self-pay and would like to be considered for the sliding scale, please bring one of the following documents to each visit: current pay stub, most recent W-2 form, statement from employer verifying income, shelter letter, treatment program letter, letter from caseworker, letter from church or other health center.
