MESSAGE FROM MS. GLAUSIER, OUR PRINCIPAL

Dear Winn Holt Community,

I hope this message finds you all doing well! It is hard to believe that Monday will be our 50th day of school! Wow! This is also the time that our teachers have lots of wonderful things to share with you about your child's progress in school so far this year. We look forward to seeing you all on one of our Early Release days - Wednesday and Thursday - or another day that week, however you scheduled your conference with your teacher.

We had another great turnout for our All Pro Dads event in September. Our next All Pro Dads will be on October 25 at 6:45. Please look for information in Parent Square or your child's Friday Folder to let us know you're planning to attend!

October 16 - 20 is our Great Days of Service event. Please send in canned goods and non-perishable food items to support those in our community who need our support during this time. The class who collects the most cans on each grade level will earn a pizza party!

Save the Date! Winn Holt is having its 20th year anniversary celebration on Tuesday, March 19, 2024 starting at 6:00pm. We hope you'll join us for the celebration and walk down memory lane of the highlights of our school's history!

I look forward to our year together. It's going to be an amazing year for our Winn Holt Black Knights!

Sincerely,

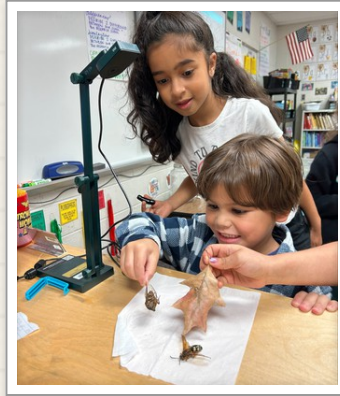

Mrs. Lisa Glausier, Principal

SEPTEMBER CHAMP WINNER

Students receive CHAMP referrals for demonstrating CHAMP behavior (Caring, Helpful, Attitude, Manners, and Prepared). Each month, one winner is drawn to choose a prize from the PBIS team. This month, Joel, a student in Ms. Jahirovic's class, was nominated by Ms. Ulceus for "Always helping his peers and complimenting their efforts in all subjects. He never complains and completes difficult tasks with a smile". Congratulations, Joel!

EXPLORING OUR CURIOSITY

Ms. Nguyen and Ms. Serajee brought some really cool bugs for Ms. Schweikert's class to study.

MS. BACK AND HER AMAZING TEAM

We want to recognize Mrs. Back and all of the custodians who work hard each day to keep our school clean and running smoothly. Every day they sweep, mop, disinfect and vacuum the classrooms, bathrooms, hallways, and cafeteria. They move furniture, empty trash, and jump in to help in a moment's notice. Our custodians are really superheroes in disguise. When you see one of our custodians today, make sure you tell them **THANK YOU** for their hard work.

INSTRUCTIONAL RESOURCES PUBLIC REVIEW OPPORTUNITY

Instructional Resources Public Review Opportunity

Staff, students, families, and Gwinnett community members are invited to review and provide input on proposed instructional resources for select grades and courses in Mathematics, ESOL, and World Language. Before adopting instructional resources for classroom use, Gwinnett County Public Schools (GCPS) holds an extensive review. Multiple committees involving various stakeholder groups reviewed resources submitted by publishers for alignment with the school system's Academic Knowledge and Skills (AKS) standards. During the ongoing review process, selected resources are piloted in GCPS classrooms. Data from the reviews and pilots will be considered in making adoption recommendations to the Board of Education in early 2024.

This year's virtual public review is open now through October 31st.
