

Puckett's Mill Elementary School Car Rider Procedures

Pull your vehicle all the way up to the front of the line to allow the maximum number of students to exit at one time.

Important Safety Reminders

- Please ensure that your child is sitting in a passenger seat closest to the sidewalk to allow a safe entrance and exit from your vehicle. Students should not walk around a vehicle.
- The car rider line closes at 8:15 a.m. and 3:15 p.m. Students arriving or departing after those hours must be walked by a parent to the front office for check-in.
- Please refrain from parking in the side parking lot to avoid a long line or rush your child into school on time. This creates a safety hazard for students walking across the car rider line and slows down the car rider process.
- If you are helping your child carry supplies, projects, or other special items, please park your car in the side parking lot, and enter through the front entrance of the school. Please bring your identification and follow visitor check-in procedures.
- Please do not park in designated handicapped parking unless you are authorized to do so.

Thank You!
